

Attractive novelties!

Cherry-red, orange, kiwi and prune – these are the fruity and fresh colours of our new baby clothing and children's underwear. All the colours are harmonizing and can be used in many different combinations. The two- and one-piece pyjamas, made of soft and cuddly virgin wool terry, are suited for sleeping or for cozy hours at home. There is a new assortment of bras for ladies in the colours off-white uni or printed. And for our established warm outdoor-fleece we launch the fashionable colour brown mélange. As usual nearly all our products are awarded with the hallmark GLOBAL ORGANIC TEXTILE STANDARD/GOTS or even with the presently highest ecological standard NATURTEXTIL-IVN ZERTIFIZIERT BEST
